Visages

2022

FIESTA DE CARNAVAL

Date : July 8 & 9, 2022

THEME

Life itself is a ticket to a rollercoaster journey. The ups and downs in it are all a part of the fun that you feel in a Columbus ride. Some of us clown around and some of us win at this funfair, but most of us take something back home, which is a memory of the day. Hence, this year Visages will be Carnival-themed. Carnivals take us back on a trip down the memory lane with a combination of food, fun, and games that makes our day. To relive this experience and to indulge ourselves in the joys that an offline fest can provide, we at Visages aim to host the most marvelous carnival for all of you after a whole pandemic year!

SOCIAL CAUSE

Every big fest comes with the possibility of mismanaged garbage disposal. The bigger the event, the bigger the crowd and the bigger the carbon footprint. Hence, Visages 2022 is one such fest that not only aims at being bigger and better, but also focuses on being safe and sustainable. With the endorsement of sustainability, Visages 2022 aims to go paperless, with the procedure for the entire event being processed digitally. The art and decor of the event too would be entirely made using recyclable products. Therefore, with every little alternative that we choose to step towards a greener world, the smaller the carbon footprint becomes.
