Istoria de Cul-Ah!

THE REALM OF GODDESSES

20th & 21st April 2022

INTRODUCTION TO CUL-AH!

Royal is my identity.

Each year she returns, her elegance unmatched. The Queen of all fests is back. Cul-Ah! is the place where creativity meets adventure. It is the premier fest of Mount Carmel College and a staple in the National Festing scene. With more than 70 events and fifteen thousand participants, Cul-Ah! is an experience that will always remain one to remember. The intersection of cultural and academic events showcasing Bengaluru's best and brightest, is sure to leave the city waiting in anticipation for the next one. The main goal of Cul-Ah! 2022 is to provide the women of MCC with a platform to empower themselves.

The vibrance and magic that surrounds us each year during Cul-Ah! The Queen of Fests is one that should not be missed. With a stage as large as ours, we as Carmelites believe that it is our duty to shine a light on a social cause, to educate and spread awareness along with our National Level Fest.

SOCIAL CAUSE

For the growing number of people using personal mobility devices, development of devices that address their unique needs are fundamental to their quality of life. Traditionally those with mobility impairments have used wheelchairs to participate in activities. Two problems with traditional wheelchairs are the stress they put on the user's upper limbs and their inability to actively engage the lower limbs.

The goal of Cul-Ah! 2021-22 is to create easy means of transportation and commutation for differently abled people.

THEME

This year, our theme is Greek Mythology. As most stories tend to go showcasing male protagonists and their adventures, we hope to shine a light on the women of Greek mythology. All heroes in their own right, each of them has a story that deserves to be told, just like us. Our theme for Cul-Ah! 2021-22, is the Women of Greek Mythology, with hopes to spread their stories of valour while highlighting the courage, kindness and dignity they showcased along the way.
